Transport Guide

2027 / 2028

Welcome

Dear Parents,

Welcome to the latest publication of our school's Transport Guide, which we hope will provide all the details you need about next year's school bus service and how to access it, including the locations of pick-ups and drop-offs and the timetable for each route.

We are continuing our working partnership with Vectare, a specialist school transport management company, to assist us in the operation of our bus service. Vectare are responsible for over 2 million independent school bus journeys per year, and we are delighted to be working with them to ensure we provide the best possible experience for everyone who uses our school buses as their preferred transport option.

All bookings for the school bus service need to be made via the online system at **knellerhallschool.vectare.co.uk**, where you can also find an interactive journey planner to help you select your closest bus stop. The website allows you to book travel at any time and from any location, up to two hours before a bus is due to depart on its scheduled route.

There is also now the capacity to book one-off journeys, if the need ever arises, and other amendments and changes can also be made via the '**My Account**' section of the website.

We hope that you will find an option that works for you and your child, but if not then please contact Vectare via the bookings website to see if they can provide an alternative suggestion. It may not be possible to accommodate every request, but they will do their best to help. They can also provide further assistance and answer any other questions you may have.

If, for any reason, you encounter any teething problems with this new arrangement, please do not hesitate to contact one of the operations team via the '**Contact Us**' form on the booking website.

Yours sincerely,

Kneller Hall School

1. This agreement is made between all school bus passengers, their parents and Kneller Hall School & Kneller Hall Junior School School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupil journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Kneller Hall School & Kneller Hall Junior School provides a school bus service. However, parents remain responsible for their child at all times, including if one of the buses is unable to complete its route and a suitable replacement cannot be arranged.
3. Transport on the school bus service must be booked in advance and paid for through the online booking system at **knellerhallschool.vectare.co.uk**.
4. Bookings on the school bus service are non-refundable in the event of a pupil failing to travel.

6. It is the responsibility of parents to inform the school via the **Contact Us** form on the website if they no longer wish their child to use the bus service. A half term's notice must be given by the parent prior to the removal of the pupil or any change to the am/pm service (apart from any ad-hoc journeys).
7. **For safeguarding reasons, pupils may only travel on the school bus service if they have been pre-booked for that specific route and date. No pupil is permitted to travel on the school bus service if not pre-booked and other arrangements for journeys to and from school must be made.
